

Hello Classmates from the Fredericktown High School Class of 1973!

As you know, this year marks the 35th year since our graduation. Does it seem possible it's been that long since we roamed the halls of FHS? For us, we had a lot of good memories from our time there, as we're sure you did also.

We have been working on a very special reunion that we believe will create some new memories for us all. The dates for the reunion will be Friday September 5th and Saturday September 6th. The dates are to coincide with this year's Fredericktown Tomato show, and the Freddie's home football game on Friday evening.

Plans for this event are as follows. All classmates who wish to participate will sit together in the home bleachers, and will be recognized specifically during the game as FHS alumni of 1973. Also, with the Tomato Show Parade being the focus of the weekend, we thought it would be fun to enter a float to commemorate the class of 1973 and show our community spirit.

We will end the weekend with a casual attire dinner at Buck's Bar & Grill "Apex Room on the Patio", in Lexington Ohio. Cocktail hour will begin at 6:00pm (cash bar) dinner will be served at 7:00pm. Evening entertainment will be provided by the band "White Water Rush" and special stand up comedy by our fellow classmate, Rick Mavis.

We ask that you respond via the enclosed check list indicating which activities you would like to attend. Please respond and include your check for the banquet no later than August 6th.

We would like to do a "Who are they now", so what we need is your baby picture. Please send or e-mail us those pictures. If you can scan them, send them electronically to jerry.statzer@owenscorning.com. Otherwise, mail them in your response letter

Prepare for a memorable weekend of fun laughter and memories!

We hope to see you there!
